Coming soon to Your Neighborhood Payday Lenders

Mark your calendars: July 15th and August 5th at the Des Moines City Council chambers 5:30-6:00 your neighborhood is invited to offer comments to the Planning and Zoning Commission on proposed regulation of payday lenders.

On July 22nd at our regular meeting city planners have been invited to come and "educate" us on what this is all about.

In addition to proposed regulation, find out where in your neighborhood they can legally locate right now!

While this has the makings of a "don't miss" meeting, remember too that DMN Board elections are scheduled for the same evening.

Want to be somebody, want to make a difference, want to be able to gripe because at least you made an effort? And, there is always the "Somebody's got to do it" reason.

- Harlan Donaldson

Farewell from Brian Millard

My term has come to an end as a Des Moines Neighbors Board member. It has been my pleasure and privilege to serve all of you once again. Giving back to my community and schools by volunteering in various capacities has been a passion for me for the last 10+ years.

There are always those that will try to explain away why any of us give so much of our time without thought of pay or reward. They think no one would do this without an ulterior motive such as a path to get elected. They simply can't comprehend what drives all of us. The reward for me has been to find a way to make a difference and accomplishing things that others say can't be done.

There are always those that would prefer the status quo and to not make waves. That is not the case with neighborhood leaders and citizen advocates like all of you. Never accept mediocre, good enough or "no" for an answer. Expect more and be indignant when they stand in your way. The cause for our neighborhoods and city is worth the effort.

I'll see you around our city
- Brian L. Millard
